

NOVEMBER 2011

The Juno spacecraft is heading to Jupiter to solve some of its many mysteries. You can help by playing JunoQuest at spaceplace.nasa.gov/junoquest.

SPACEPLACE.NASA.GOV

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
International Creative Child and Adult Month. Get creative together over a stunning Galactic Mobile.		1	2	3	4	5 Gunpowder Day. How much "virtual gunpowder" would it take to shoot a cannonball into orbit?
6	7	8 National Parents as Teachers Day. The Space Place has lots of free resources to help parents be teachers.	9 National Young Readers Day. Read <i>Professor Starr's Dream Trip</i> out loud and enjoy the whimsical rhythms and rhymes.	10 <small>FULL MOON</small>	11	12
13 World Kindness Day. Good Scouts practice acts of kindness every day. See what else they can do to earn badges at The Space Place.	14 I Love to Write Day. How about trying a cosmic poem?	15 National Geography Awareness Week. Do you know how to read, or, better yet, make a topographical map?	16	17	18 <small>LAST QUARTER</small>	19 Have a Bad Day Day. One way to have a bad day is to tour the solar system looking for a better climate than here.
20	21	22 National Game and Puzzle Week. You will find lots of games and puzzles at The Space Place.	23	24 Thanksgiving Day. Do you think the pilgrims on the Mayflower could have navigated by the stars? If they'd had our Starfinders, they could.	25 <small>NEW MOON</small>	26
27	28	29	30
